Subject: Preparation of Your 2021 Tax Returns

:

Thank you for choosing Rock Solid Tax and Accounting LLC to assist you with your 2021 taxes. This letter confirms the terms of our engagement with you and outlines the nature and extent of the services we will provide.

We will prepare your 2021 federal and state income tax returns. We will depend on you to provide the information we need to prepare complete and accurate returns. **We may ask you to clarify some items but will not audit or otherwise verify the data you submit. It is our understanding that the information you are providing is truthful, complete and you have receipts, and or canceled checks to support all deductions and expenses provided by you. It may be necessary to request these substantiating documents and it is our understanding that you are willing to provide them to us if requested.** An Organizer is enclosed to help you collect the data required for your return. The Organizer will help you avoid overlooking important information.

The tax return fee does not include bookkeeping. Bookkeeping services necessary to make the data tax return-ready will be added to the tax preparation fee. We will perform accounting services only as needed to prepare your tax returns. Our work will not include procedures to find defalcations or other irregularities. Accordingly, our engagement should not be relied upon to disclose errors, fraud, or other illegal acts, though it may be necessary for you to clarify some of the information you submit. We will inform you of any material errors, fraud, or other illegal acts we discover.

The law imposes penalties when taxpayers underestimate their tax liability. Call us if you have concerns about such penalties and would like to make estimated tax payments for 2022.

The Coronavirus pandemic continues to have a significant impact on the 2021 tax calculations. Congress has passed The American Rescue Plan which authorized the third Economic Impact Payment and has issued Advance Child Tax Credit payments to many Americans. It is important that accurate information related to these areas be provided by you. Incorrect or incomplete information will significantly delay the processing of your tax return.

We will use our professional judgment in preparing your returns. Subsequent developments issued by the applicable tax authorities may affect the information we have previously provided, and these effects may be material. Whenever we are aware that a possibly applicable tax law is unclear or that there are conflicting interpretations of the law by authorities (e.g., tax agencies and courts), we will explain the possible positions that may be taken on your return. In accordance with our professional standards, we will follow whatever position you request, as long as it is consistent with the codes, regulations, and interpretations that have been promulgated. Should we encounter instances of unclear tax law, or of potential conflicts in the interpretation of the law, we will outline the reasonable courses of action and the risks and consequences of each. We will ultimately adopt, on your behalf, the alternative you select.

Our fee is based on the forms required to prepare the return. Invoices are due and payable upon presentation. **Tax returns will not be filed, and copies of the returns will not be provided to you until payment has been received in full.** If you terminate this engagement before completion, all original documentation will be returned to you. Fees charged for tax return preparation do not include audit representation or preparing materials to respond to correspondence from taxing authorities. Such representation is available as a separate engagement. **Preparation fees do include limited assistance and consultation during the year.**

We will return your original records to you at the end of this engagement. Store these records, along with all supporting documents, canceled checks, etc., in a secure location in case these items are needed later to prove accuracy and completeness of a return. We retain copies of your records and our work papers for your engagement for at least four years. If you want us to delete the information after this time you must provide written instructions.

If you have not selected to e-file your returns with our office, you will be solely responsible to file the returns with the appropriate taxing authorities. Review all tax-return documents carefully before signing them. Our engagement to prepare your 2021 tax returns will conclude with the delivery of the completed returns to you, or with e-filed returns, with your signature and our subsequent submittal of your tax return.

To affirm that this letter correctly summarizes your understanding of the arrangements for this work, sign the enclosed copy of this letter in the space indicated. Thank you for the opportunity to be of service. If you have any questions, contact our office at (480)322-8207.

Sincerely,

Sheryl S McClure EA

2021 Information Pertaining to the American Rescue Plan Act (ARPA)

On March 11, 2021, the President of the United States signed into law the American Rescue Plan Act (ARPA) that authorized a third round of stimulus payments and advanced payment of the Child Tax Credit. The IRS issued notices that provided the amounts you received for these payments. This information is necessary to accurately complete your 2021 individual tax return. Information provided below explains what notice you received and how to obtain the information if you no longer have the notice or have yet to receive a letter.

Stimulus Payment (Economic Impact Payment (EIP))

The third round of EIP or stimulus payments began mid-March 2021. Individuals could have received up to \$1,400 (\$2,800 for married couples filing a joint return). Qualifying dependents may have also received \$1,400. Unlike the first two payments, EIP3 was not limited to children under 17. Families may have received the payment based on all of the qualifying dependents claimed on the tax return. Most families received \$1,400 per person, meaning, a single person with no dependents may have received \$1,400 while a family of four may have received \$5,600. Notice 1444-C was sent following the payments and Letter 6475 will be issued in January 2022 with a combined total.

If you no longer have Notice 1444-C, or have not received Letter 6475, log in to your IRS Online Account to get the accurate amount of EIP3 received.

1. Go to irs.gov.
2. Select "View Your Account Information."
3. Select "Log in to your Online Account" and follow the prompts provided.

Advance Child Tax Credit Payments

Under ARPA, the maximum amount for the Child Tax Credit (CTC) was increased from \$2,000 to \$3,600 for each child 5 years old and under. For children ages 6 - 17, the maximum increased to \$3,000. In July 2021, eligible families that did not opt out began receiving advanced CTC payments up to \$300 per month for each child age 5 and under and up to \$250 for each child between the age of 6 and 17. IRS will issue Letter 6419 to provide the amount received per taxpayer and how many children were taken into account to determine the amount received.

If you no longer have Letter 6419, or have not yet received it, follow the directions above to log in to your online account to access the Child Tax Credit Update Portal or log directly in to the portal using the instructions below. For married couples filing a joint return, the taxpayer and spouse will both need to log in to get the amount apportioned to each taxpayer.

1. Go to irs.gov.
2. Select "Child Tax Credit Update Portal."
3. Select "Manage Advance Payments" and follow the prompts provided.
