Client Name: _____

Thank you for choosing Rock Solid Tax and Accounting LLC to assist you with your 2022 taxes. This letter confirms the terms of our engagement with you and outlines the nature and extent of the services we will provide.

We will prepare your 2022 federal and state income tax returns. We will depend on you to provide the information we need to prepare complete and accurate returns. We may ask you to clarify some items but will not audit or otherwise verify the data you submit. It is our understanding that you have receipts, and or canceled checks to support all deductions and expenses provided by you. An Organizer is enclosed to help you collect the data required for your return. The Organizer will help you avoid overlooking important information. By using it, you will contribute to the efficient preparation of your returns.

The tax return fee does not include bookkeeping. Bookkeeping necessary to make data tax return-ready will be added to the tax preparation fee. We will perform accounting services only as needed to prepare your tax returns. Our work will not include procedures to find defalcations or other irregularities. Accordingly, our engagement should not be relied upon to disclose errors, fraud, or other illegal acts, though it may be necessary for you to clarify some of the information you submit. We will inform you of any material errors, fraud, or other illegal acts we discover.

The law imposes penalties when taxpayers underestimate their tax liability. Call us if you have concerns about such penalties.

We will use our professional judgment in preparing your returns. Subsequent developments issued by the applicable tax authorities may affect the information we have previously provided, and these effects may be material. Whenever we are aware that a possibly applicable tax law is unclear or that there are conflicting interpretations of the law by authorities (e.g., tax agencies and courts), we will explain the possible positions that may be taken on your return. In accordance with our professional standards, we will follow whatever position you request, as long as it is consistent with the codes, regulations, and interpretations that have been promulgated. Should we encounter instances of unclear tax law, or of potential conflicts in the interpretation of the law, we will outline the reasonable courses of action and the risks and consequences of each. We will ultimately adopt, on your behalf, the alternative you select.

Our fee is based on the forms required to prepare the return. Invoices are due and payable upon presentation. Tax returns will not be filed, and copies of the returns will not be provided to you until payment has been received in full. If you terminate this engagement before completion, all original documentation will be returned to you. Fees charged for tax return preparation do not include audit representation or preparing materials to respond to correspondence from taxing authorities. Such representation is available as a separate engagement. Preparation fees do include limited assistance and consultation during the year.

We will return your original records to you at the end of this engagement. Store these records, along with all supporting documents, canceled checks, etc., in a secure location in case these items are needed later to prove accuracy and completeness of a return. We retain copies of your records and our work papers for your engagement for at least four years. If you want us to delete the information after this time you must provide written instructions.

Our engagement to prepare your 2022 tax returns will conclude with the delivery of the completed returns to you (if paper-filing) or your signature and our subsequent submittal of your tax return (if e-filing). If you have not selected to e-file your returns with our office, you will be solely responsible to file the returns with the appropriate taxing authorities. Review all tax-return documents carefully before signing them.

To affirm that this letter correctly summarizes your understanding of the arrangements for this work, please sign and date in the spaces provided. Thank you for the opportunity to be of service. If you have any questions please contact our office at (480) 322-8207.

Sincerely,
